

Earlier this week, Charleston Southern University informed us that their facilities required additional repairs and would be unavailable for next week's Achievement Day. There was an unintentional break-down in communication between departments at the University, and they are unable to accommodate our event. Fortunately, **we have secured space on March 4th at the College of Charleston instead.** Achievement Day will be at a different venue this year – the **Cato Center** at the College of Charleston; however, we are looking forward to providing the same quality experience for your child.

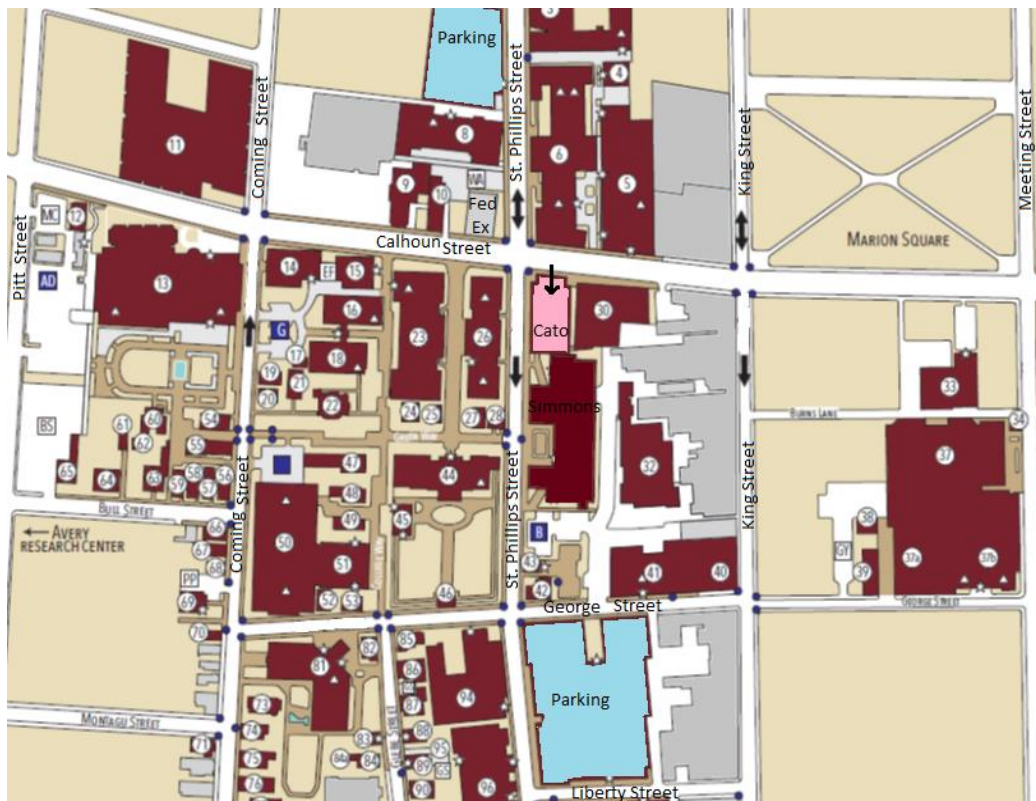

The map at the bottom of this letter includes directions to the Cato Center, and also marks two of the nearest parking garages (both charge \$1 per half-hour). Street parking is limited around the CofC.

Your child's scheduled audition time will remain the same, and all other elements of Achievement Day will be the same as in prior years. But since we are in a more urban environment, we ask families to **only use the Calhoun Street entrance to the Cato Center.** Additionally, **we request that parents/guardians wait downstairs in the Registration area for their child – we will not discharge a child unless an adult is present.**

We are very sorry for any inconvenience that this abrupt change in location might cause you, and appreciate your understanding. We are looking forward to having a fantastic Achievement Day, hosted at the College of Charleston!

Please do not hesitate to contact us with any questions or concerns.

Patrick Boyle & Patricia Hanneman
Achievement Day Co-Chairs
